

Won't you please join the LIA and
Family Service League in
“Backpacks for Back to School”

The LIA Gives Back program will be collecting school supplies to benefit the Family Service League's annual "Backpacks for Back to School" drive. "Backpacks for Back to School" allows children from families struggling with financial hardship to receive a new backpack filled with all new school supplies. Last year Family Service League supplied 1700 children from over 800 families with their back to school needs. We are hoping that with your support and contributions, we can assist the Family Service League in helping even more families this year. The LIA will be collecting items from now until July 30, 2010.

NOW LET'S FILL THOSE BACKPACKS!

Note: Items must be new and in original packaging

Items needed:

- ❖ **Pencils** ❖ **Crayons** ❖ **Markers** ❖ **Colored Pencils**
